INOVA Federal Raises over \$4,500 for Special Olympics Indiana

FOR IMMEDIATE RELEASE: February 28, 2024

Elkhart, IN — INOVA Federal recently raised over \$4,500 for Special Olympics Indiana during their “Polar Plunge” campaign. Special Olympics Indiana is a nonprofit organization that is a part of the global Special Olympics movement, using sport, health, education, and leadership programs every day around the world to end discrimination against and empower people with intellectual disabilities. In addition to raising funds, INOVA team members gathered at Four Winds Field on February 24th to jump into the icy waters in support of the cause.

“Our amazing team came together to not only raise funds, but to gather on Four Winds Field and jump into the icy water in support of this great organization”, says Allyson Wikowski, Digital Marketing Specialist, who coordinated the event for INOVA. “We’re fortunate that we have organizations like the Special Olympics that do so much for individuals in our community with intellectual disabilities.”
